

# CONFIDENTIAL CLIENT QUESTIONNAIRE

Please complete this form as best as you can. The more information you can give me the better; the more time we will have to answer your questions and advise you on the law and the procedure, instead of asking you for information. On the other hand, if you do not know the precise information, give approximations and say it is approximate, or just leave parts blank if you do not know it now.

Please return the form to me before our meeting if possible. You can either save the file to your hard disk, complete it on screen and then save it and email it to me; or you can print it out and fill it in by hand and fax or post it to me. I am sorry the form is so long; the more information you can let me have on this form, the less time we will spend on this during our meeting.

Thank you.
